## WHAT IS A CARRIAGE HOUSE?

A carriage house is a smaller, secondary dwelling unit located within a detached accessory building.

## WHAT CAN I USE IT FOR?

A carriage house is a multipurpose structure that can be utilized for any of the following purposes

- Caregiver Suite for future care if needed while aging gracefully
- College 'Dorm-Suite' for adult children providing some independence and distance from parents!
- Long-Term Rental Suite for additional income source
- VRBO that is separate from primary residence
- Additional Garage, Hobby, Storage, and 'Toy Box' space!

The purpose of the carriage house can easily transition over time to suit the purpose of the owners.

## WHAT IS A PREBOARD TOUR?

At this stage, rooms have begun to take shape, but the inner workings are still visible. It's truly like attending an HGTV show, only better; you get to meet our team in person and have a personalized tour of how we provided an array of options for this Homeowner!
